Safety Solvent

FAST ACTING SOLVENT DEGREASER

Product # 442

DESCRIPTION

A residue free, super fast drying, high power industrial solvent that dissolves grease and rinses away dirt and grime without harm to working parts, insulation or paint. Features a 32,000 volt dielectric strength and it is non-flammable and non-conductive. Cleans electric motors and panels, electric generators, relays and starters, diesel and gasoline engines while equipment is in operation. Excellent cleaner for conveyors and welding equipment. Cleans telephone and electronic equipment, printing presses, bowling alley equipment and traffic signal boxes. Cleans precision tools, instruments, aviation engines and general parts. Excellent for ignition drying and automotive upholstery cleaning too.

FEATURES AND BENEFITS

- * EASY CLEANING AND DEGREASING OF ALL ELECTRICAL MOTORS, SWITCHES, GENERATORS, EQUIPMENT
- * FOR USE ON ENERGIZED ELECTRICAL EQUIPMENT, SAVES TIME AND MONEY
- * POWERFUL FLUSHING, FAST ACTION
- * 32,000 VOLT DIELECTRIC STRENGTH
- * NON-FLAMMABLE, NON-CONDUCTIVE, NON-COMBUSTIBLE, NON-CORROSIVE

USAGE

Use in power plants, commercial factories as well as the marine industry.

DIRECTIONS

Wear goggles and chemically resistant gloves when handling this product.

Wipe surface to be cleaned. Allow product to dwell for a few moments. Wipe clean with a rag.

Ready to use. Do not dilute.

PRODUCT SPECIFICATIONS

APPEARANCE	Clear liquid
ODOR	Solvent like
FLASH POINT	None, non-combustible
WEIGHT / Gallon @ 77°F	8.00 Lbs
WATER SOLUBILITY	No
SHELF LIFE	1 Year in unopened container
PACKAGING	55 Gallon drums 5 Gallon pails Cases of 6/1 and 4/1 gallon cans

SAFETY INFORMATION

KEEP OUT OF REACH OF CHILDREN. DO NOT TAKE INTERNALLY.

WARNING: Harmful if inhaled. CAUTION: May produce toxic vapors exposed to high temperatures or flame. Avoid contact with eyes. May be irritating to skin. Use in well ventilated area. Keep container closed when not in use. Avoid prolonged breathing of vapors. *Wear goggles and chemically resistant gloves when handling this product.*

FIRST AID

SKIN: Wash with water and soap. If irritation develops, seek medical attention. **EYES:** Immediately flush eyes with plenty of water for at least 15 minutes. Use borate acid solution to neutralize, if available. Seek medical attention. **INGESTION:** Do not induce vomiting. Seek medical attention immediately. **INHALATION:** Remove person to fresh air. Give artificial respiration if not breathing. Call a physician immediately.
